Assault on the Record Books

Bella Amyx is off to a flying start in her senior campaign, netting game winners in all three of Tam's victories thus far, tacking on two other goals, and also adding three assists. What makes it more impressive is that every team in the league is focused in on how to stop her. The answer to that conundrum it seems is, you can't!

Bella came into her final season chasing down several career record totals held by Stephanie Martini, and is on her way to making some of them her own. The first one to fall was career game-winning goals. The previous mark was 11, but with three in her first four games already, Bella has set the new mark at 13, and will likely add to that tally before all is said and done.

The next two marks in her sights are the career goals (40) and career points (98). To date Bella is sitting on 29 and 71 respectively, with ten games left to add to those totals. If defenses can't find a way to contain her we could see both of those records fall as well...

Goals in a season (17) and points in a season (41) are also marks that we could see fall in a year that has seen a lot of big numbers posted in the first couple of weeks.

*All records referenced are based on when records began to be kept in 2010.
