

Gottschalk MCAL Soccer Report

TEAMS OF THE DECADE

This issue starts the release of the Gottschalk Report All-Decade teams. Below is the table that shows the compiled results of all ten MCAL regular seasons (nine for Justin-Siena), as well as the postseason numbers for each school. That is followed by the decade leaders in the major statistical categories, as well as the single season team and individual records for the decade.

Below that are the "Teams of the Decade" for each individual school. These teams have been picked by the Gottschalk Report alone, not by any individual coaches.

Following issues will start to release the All-Decade Honorable Mention, Second Team, and First Teams. With over 750 players competing for their respective schools this decade, we have narrowed it down to the top 34.
