FINAL RECAP

Tamalpais Completes the Double... A brace from Storie Ledger was more than enough to lift the Red Tailed Hawks past the Drake Pirates in the MCAL final on Friday evening. Storie got Tam on the scoresheet early on when she beat one defender and then raced in behind the backline before slotting the ball into the far side-netting. A second goal later from the penalty spot meant that Tam would be Double Champions. A third goal on an incredibly harsh penalty for Tam sent the crowd into euphoria and the celebrations began early...
