

Gottschalk MCAL Soccer Report

Time for Some Footy!

It is that time of year again, and for the 18th year the report will be with you every step of the way. While a few teams already have their first game under their belt, all teams will start their march towards the post season after the holiday break. As always, feel free to share the report with anybody that would be interested in the content. Best of luck to all schools in the preseason as we look to put the strength of the MCAL on show for the NCS to see.

Farewell to a Legend

On November 6th, the MCAL lost a legend, when Mia Hamant's valiant fight against stage four kidney cancer came to an end.

One of the best GKs MCAL has ever seen, Mia's impact was felt across all levels of the game. She was a two-time All-MCAL 1st-Team selection, setting the record for single season goals against average, and leading Redwood to the 2018/19 MCAL Regular Season Title, and three straight MCAL Playoff Finals, winning the title twice. In her senior season, her play earned the Giants a place in the NCS final, and the school's first ever trip to the NorCal Championships.

Mia was just as dominant at the club level, leading her 2004 Marin FC team to two NorCal State Cup Championships, and a pair of Surf Cup titles, not conceding a single goal in route to the second title. Mia also represented the state of California on many occasions at the ODP West Regionals, winning a West Region title in her final game for NorCal. Mia's stellar play across all levels of the game caught the eye of the University of Washington, and she took her game to the D1 level. In her junior year she was instrumental in leading the Huskies to the Big10 conference semi-finals, posting eight shutouts, and winning shootouts in both the Big10 conference semi-finals, and the first round of the NCAA tournament at Utah St.

A teammate, a friend, a daughter, a sister, she meant so much to so many people, and will forever be remembered for the tenacity she faced every challenge with, for the confidence she inspired in all of those around her, and for the joy she brought to all of the lives that she touched.

Gone, but never forgotten. You will be missed Mia...
